Expertise

Over 30 years' experience guarantee the results of our free of charge services.

Specialised one-stop-shop services

Investor information

We provide full, practical, up-to-date information on investing and establishing business operations in Catalonia, covering sectorial data, legal issues and competitive analyses.

Financing & incentives

Increase the viability of your project with expert, in-depth information and support on financing possibilities adjusted to your project.

Business location

Get full and relevant information on industrial buildings, land, office space and logistics centres throughout Catalonia, bearing in mind the specific needs of your business.

Catering to the needs of all international investors

Are you considering a new investment?

All the information you need to know to make entering a new market as seamless as possible.

Do you need us to accelerate your investment in Catalonia?

Our project management services give personalised support to your investment right from the start.

Do you want to grow, reinvest & expand your investment in Catalonia?

Aftercare, expansion and reinvestments are one of our priority activities.

Innovation, tech & business partners

We are your ideal partners when doing business with Catalan companies and can connect you to the best technological and innovation resources in Catalonia.

Business and institutional network

We connect international companies to key institutional partners and business services providers to help them set up and grow in Catalonia.

International mobility for executives

We offer a fast-track service for work and residence permits for your top employees as well as valuable information on mobility procedures.

Supplier search

We help foreign companies source suppliers, manufacturing partners, technology providers or developers as well as any other local company to fulfil specific requirements.

Connect to the Catalan competitive mix: an industrial, diverse and pro-business economy that can work for you

Competitive Economy

Adding more to your business model, with diversified industrial activities backed up by a solid network of suppliers and services.

International and Global

From Southern Europe, Catalonia and Barcelona connect you to the world through an open trading economy.

Innovation Culture

Both the public and private sector have made innovation and technology a priority in Catalonia.

Talent and Education

With top level universities and prestigious schools, companies can rely on a pool of talented and committed professionals.

Creativity and Entrepreneurship

With the energy and support to turn great ideas into a reality, Barcelona is a dynamic start-up ecosystem where new initiatives flourish.

Business Mindset

Through the offices of Catalonia Trade & Investment, a pro-business government creates a supportive business climate.

Connect to 39 worldwide offices in over 110 markets

The 39 Catalan Government Trade & Investment Offices assess and support international companies interested in investing in Catalonia and Barcelona. They also offer personalised assistance to Catalan companies wishing to open in new markets and to find global business opportunities.
